SYNOPSIS

5 Reels ✓

There is the eternal triangle in this yarn, but the treatment makes it as fresh and real as anything ever seen. Pete Morrison, who plays the hero, has a rival who is as unscrupulous as any man could be, and when Betty Goodwin turns him down he resolves to get even. His resolve takes a villainous form for he goads the brave girl into attempting to ride one of the wildest horses on the range. She mounts and seems to be holding the animal, but he is too wild, too strong and finally bolts with her. Pete, who has been watching, having also remonstrated without avail, leaps Lightning to the chase. He knocks his rival flat in the dirt and makes after the runaway. After one of the most thrilling races ever seen he overtakes the other horse and snatches Betty from his back while speeding like the wind. Pete further get himself disliked by resenting the insults of a crowd of bullies directed toward Betty. He tackles the ringleader, thrashes him and then measures out the same treatment to several more of the crowd before they are ready to acknowledge he is master. But probably the most thrilling scene of all is when a cowboy is being lynched by a mob and the sheriff's posse with Pete along comes to a high cliff overlooking the scene just as the man is strung up. With a single shot Pete severs the rope while the posse ride down to the rescue. Between this and his leap from the high bluff into a lake while on Lightning's back to rescue Betty from the villain, there is no wonder that the beautiful girl in the last part of the story looks on the handsome and daredevil Pete with eyes of love.

End.
